

ELECTION TO BE HELD IN DIVISION TWO OF M.D. MOUNTAIN VIEW

When nominations closed on Saturday, March 21st for councillors and hospital representatives in the Municipal District of Mountain View No. 49, Returning Officer George Youngs disclosed that an election would only be necessary in one division this year—Division 2, when William J.L. Bassett of Dog Pound, and Myron A. Latimer of Madden were nominated to contest the one vacancy. The election will be held on Saturday, March 20th, and polls will be open at Dog Pound Hall and Madden Hall.

In Division 6 Fred J. Niddrie of Mound was declared elected by acclamation, and in Division 7 Earl B. Dodd was also elected as Councillor by acclamation.

Members of the Olds Municipal Hospital Board elected by acclamation were Fred J. Niddrie in Ward 4, and Earl B. Dodd in Ward 1.

A.M. Robertson was re-elected by acclamation as hospital representative for Ward 2 for the Didsbury Municipal Hospital Board.

W.J. FULKERTH SELLS KENTUCKY TO REG. HAAG

W. J. Fulkert of Didsbury, well-known breeder of those high-stepping Kentucky gated saddle horses, has just sold an outstanding filly to Reg. Haag of Carstairs.

She is a nice chestnut, trimmed in white, and has quality and action every way she is viewed.

She has a lot of breeding, for her sire and dam were both imported and 31 registered animals appear on her pedigree. There is the blood of several of the most noted saddle horses, including Edna May's King, Rex Peavine, Bourbon King, Rex McDonald, King's Genius, Independence Chief and others. — The Market Examiner.

LOCAL RESIDENTS ESCAPE INJURY IN CAR ACCIDENT

An accident occurred on the Calgary-Edmonton highway just opposite the highway service station at Carstairs last Friday evening about 6.30 when the car driven by Roger Barrett of Didsbury sideswiped Harold Wood's gravel truck, driven by Fred Metzger, also of Didsbury.

The Barrett car was going into Calgary and Fred Metzger was returning to Didsbury and was turning into the service station at the west side of the highway when the accident happened.

Fortunately no one was seriously injured, although passengers in the car, Mr. and Mrs. Barrett, Mrs. Roy McArthur, Miss Dale and George Gerlitz, received a severe shaking up, and George suffered strained ligaments in his neck and a slight injury to one arm.

It is said that the car, which turned over on its side, was damaged to the extent of about \$600, while \$200 damage was done to the truck.

FORTY YEARS AGO

February 21, 1908

H.J. Sim of Hartman does not believe in mixed farming and is going to sow his quarter section to grain this spring.

The hockey-football game at the rink Tuesday was a tremendous success and the score was 0-0 in favor of the marshall men. The referee declared the beneficiaries the winners because J.A. Finlay had the only scoring opportunity when he missed the goal by just 23 1/2 inches.

It looks as though skating is over for the winter, due to the fine warm weather lately.

BRITAIN EXPORTS COAL AGAIN

To the Scottish Division of the National Coal Board went the honor of opening a regular coal export program. December 1947 saw the first shipments to Sweden by the S.S. Vesta, closely followed by two other Swedish ships. Now this

Swedish trade is taking on aspects of regularity. In return for coal the ships are bringing cargoes of pit props and timber for housing.

This picture shows the Arabritt taking on her load of 2,500 tons of coal at Methil on the Firth of Forth.

92 Per Cent of Tax Levy Collected by M.D. in 1947

Almost 200 ratepayers attended the annual meeting of the Municipal District of Mountain View No. 49, held in the Lions Hall, Didsbury, on Saturday, February 21st, and the municipal affairs of the past year were discussed.

Raymond C. Bell was chairman of the meeting and the minutes of the last annual meeting were read and adopted.

The 1947 Financial Statement was reviewed and showed that taxes collected were \$451,653.62, which represented 92 per cent of the current levy. Government grants amounted to \$32,280.00, while private road donations totaled \$13,314.22.

The main expenses for the year were public works at \$229,426.90, and \$195,973.12 for school requisitions. Administration amounted to \$13,606.64; Hospitals, \$30,374.66; Public Welfare, \$7,084.90; and Discount on Taxes, \$35,271.31.

During the year \$39,463.90 was spent on purchase of new machinery, and \$84,760.33 was spent on laying new gravel. Other road ex-

penditures amounted to \$69,267.46.

A resolution was passed and forwarded to the Department of Public Works and local M.L.A.'s asking that more bridges within the boundaries of the Municipal District of Mountain View be replaced this coming season, if possible.

Another motion of particular interest was that the Council increase the tax rate by two mills and earmark the extra money raised for road work only. This motion was carried by a small majority.

Stan Hodgson, field supervisor, gave a report on the work of the Agricultural Service Board and discussed the treatment of weeds with 2, 4-D. It was pointed out that the Ester preparations had proved the most satisfactory on weed treating done in the municipality last year. A motion was passed recommending that experimental plots be set up in the municipality this coming year to test extermination methods for brush and other weeds.

A vote of thanks was passed to the 1947 councillors for their excellent work during the past year.

Postponed Arena Opening Will Be Held On Tuesday, March 2nd

The official opening of the Didsbury Memorial Arena, scheduled for February 18th, was suddenly called off Wednesday morning when the blizzard struck this part of Alberta and the new date for the opening has been set for Tuesday, March 2nd, starting at 8:00 o'clock sharp.

No change has been made in the program of events for this grand opening of the Memorial Arena and all original numbers will be featured next Tuesday night.

The Glencoe Club Fancy Skaters will be here to provide the crowd with some of the best amateur skating acts available. There will be solo numbers, pairs, trios and four-skater acts, as well as dance numbers and clowning. This part of the program is well worth the admission charge alone. But you will get more for your money. The dedication speeches by Major-General M.H. S. Penhale, C.B.E., will be short and will be followed by two minutes' silence, Last Post and Reveille. The draw for prizes will then take place and all admission ticket holders will be included in the draw for the Stewart-Warner radio.

Two short hockey games will be played, one between the Didsbury Lions and the Rosebud Shamrocks, and the other between the Didsbury Greenlins and the Westerdale Hornets.

The broomball game between the married men and single men promises to be a feature event.

The King's Own Calgary Regiment Band will be in attendance,

and during the evening refreshments will be served.

Taking everything into consideration there will be a well-balanced program at the official opening of the Didsbury Memorial Arena next Tuesday night, March 2nd. Be sure and attend!

"OPEN HOUSE" AT MOUNTAIN VIEW BIBLE SCHOOL FRIDAY

On Friday night, February 27th, there will be an "Open House" at Mountain View Bible School. Friends are cordially invited to visit the school between the hours of 7.30 and 11 p.m.

W. MORTON WINS MAIN EVENT IN MASONIC 'SPIEL'

Twelve risks were entered in the annual Masonic bonspiel played at the local curling rink on Monday and two competitions were completed in the evening when the finals were played off between the George Law and W. Morton risks in the main event, and between L. Borscht and C. Reiber in the secondary event.

Following are the winners: Main event—1st W. Morton; 2nd George Law. Secondary event—1st L. Borscht; 2nd C. Reiber.

The eight o'clock draw was called off when curlers gathered in the Masonic banquet room for a supper provided by the Worshipful Master George Law. The final games were played following the supper.

A. BRUSSO SETS RECORD FOR SERVICE AS M.D. SECRETARY

When Mr. A. Brusso, secretary-treasurer of the Municipal District of Mountain View No. 49, presented the annual statement of the municipality on Saturday, February 21st, he established a record for years of service. The report was his 32nd in as many years. The first 28 reports presented were for the old Municipal District of Mountain View, and the last four reports were for the enlarged Municipal District of Mountain View No. 49.

OKE, FREEMAN ELECTED TO SCHOOL BOARD; PARSONS, CAITHNESS TO COUNCIL

There was a good turnout of voters at the polls in the Town of Didsbury on Monday, February 23rd, and when the final results were announced Monday evening Returning Officer F.L. Evans declared Oke Parsons and Jas. Caithness re-elected to the Town Council, and Harold E. Oke and Joseph Freeman elected to the Didsbury School Board.

For Town Councillor 276 residents of the town cast their ballots with the following results:

James Caithness 151
Joseph Dick 148
Oke Parsons 180
Spoiled Ballots 7

The 1948 Town Council will consist of Mayor H. Lynch-Staunton, and Councillors: H. Bowman, D. Kimmel, S. Gilson, C.E. Reiber, G. Parsons and J. Caithness.

For School Trustee there were three candidates nominated, Joseph Freeman, Lynn Hunsperger and Harold E. Oke. 286 voters cast their ballots and the following is the result of the polls:

Joseph Freeman 179
Lynn Hunsperger 132
Harold E. Oke 187
Spoiled Ballots 5

The 1948 School Board will comprise Geo. Law, Thos. Morris, A.R. Kendrick, H.E. Oke and Jos. Freeman.

MR. AND MRS. A. JACKSON TO HAVE GOLDEN WEDDING

Mr. and Mrs. Arthur Jackson of the Westerdale district will celebrate their 50th wedding anniversary on Friday, February 27th.

Arthur Jackson and Mary Elizabeth Lamm, both originally from England, were married at Maxwell, Iowa, in 1898, where they resided for four years prior to coming to Didsbury. They and their oldest son, George, arrived in Olds on the day of their wedding anniversary 46 years ago. They travelled across Canada by team and wagon to their farm twelve and a half miles south west of Olds and have resided at the same location ever since.

Four sons, Harry, Frank, Ralph and Stanley, were all born on the homestead. The five sons are now married and reside on their father's three sections of land in the Westerdale district. There are seven grandchildren.

NOTES FROM THE EAST

The most important question of the week has been "When is the snow plow coming out?", and everyone has also been asking if the roads are open yet.

On the night of the blizzard Harold and Leslie Steves were obliged to take their brother, R. Shells, to the doctor in Didsbury. It proved quite a task bucking snow drifts on the roads and facing the bitter cold.

Mr. and Mrs. Clifford Nelson and family left Sunday by truck for their new home in Abbotsford, B.C. They expect to visit relatives in Calgary on the way. They were accompanied by Hugh McLean and will make a trip to the U.S. The journey will be made through Great Falls, Seattle and on to California, then up the coast to their new home. We wish them a pleasant journey and success in their new venture.

The Lone Pine hall board held its annual meeting as scheduled on Friday evening, March 20th, but practically all the side roads were blocked and many ratepayers were unable to attend.

Mr. Charlie Fobbs underwent an operation in the Olds hospital on Tuesday last and is doing nicely.

Mr. Ivor Weber and Bob Eckel made a trip to Calgary Tuesday of last week and were lucky to get back before the roads were drifted in by the blizzard which came up

Officers Elected at Annual Red Cross Society Meeting

The annual meeting of the Didsbury and district branch of the Red Cross Society was held on Friday, February 13th, in the Lions Hall. Owing to the inclemency of the weather, no members were able to get in from the country but there was a large attendance of town members.

The reports were given by chairmen of the various committees and were most interesting. The Blood Donor Transfusion Service, The Crippled Children's Hospital, the work of Outpost Hospitals and various other activities were fully discussed.

A letter was read from Mrs. Mason, chairman of the Provincial Women's Work Committee, advising the branch of the great necessity of sending garments of various kinds to Britain and asking that the women of Didsbury and district help in this work. The meeting decided to give assistance, and if anyone in the town or district would like to sew or knit they should get in touch with Mrs. C.S. Mortimer or Mrs. Barrett. Materials and instructions will be gladly given. It is hoped to have a group of women working in Didsbury in the very near future.

Mr. A.W. Reiber was complimented on his good work with the

Blood Donor Panel. It was decided to set up a committee to see that the panel roster was kept at full strength as it is most important that when the clinic comes an adequate number of donors attend to give their donation of blood.

Election of officers took place as follows:

President, Rev. D. Whyte Smith. Vice-Presidents: For the East: Ken Burns; For the West: E. Cogswell; For the town: A.W. Reiber. Secretary, W.A. Austin. Treasurer, C.E. Reiber. Auditor, C.F. Nichol.

Executive Committee—For the East: E. K. Cullen, Mrs. Stiles, Fred Metz; For the West: J.H. Robertson, Mrs. Geo. Youngs, Mrs. A.L. Hogg; For the town: S.J. Gilson, Mr. H. Lynch-Staunton, Mrs. H.M. Bowman, Mrs. R. Eckel, Mrs. L.J. Wrigglesworth, Mr. E.J. Rouleau.

Convener of Women's Work Committee, Mrs. C.S. Mortimer.

Convener of Purchasing Committee, Mrs. R. Barrett.

Convener of Blood Donor Panel Committee, Mr. A.W. Reiber.

Convenors of Hospital Visiting Committee, Mrs. H.M. Bowman and Mrs. R. Eckel.

Convener of Entertainment Committee, Mr. E. Cogswell.

ROADS AGAIN OPENED UP FOLLOWING SNOW STORM

The first real blizzard of the winter struck the Didsbury district early last Wednesday morning and with snow and strong winds the roads both east and west of town were soon drifted in. Drifts piled up four feet high in some places and all travel to and from town was at a standstill.

Despite the wind and snow, however, the highway from Didsbury corner to Calgary remained open but few ventured out to brave the storm.

Zero temperatures accompanied the storm and Wednesday evening the thermometer dropped to almost 30 below and continued below zero all day Thursday. Friday temperatures moderated and it was 20 degrees above by noon. Since then it has warmed up considerably and a warm Chinook wind was blowing at press time Tuesday evening.

Although the storm was severe stock in this district does not seem to have suffered severely and with plenty of feed on most farms cattle are faring well.

The snow plow went out last Thursday to clear the main roads and mail route, but is slipped into the ditch and delayed snow clearing for a time. As a result there was no east mail delivery Friday, although the roads both east and west of town have since been opened up and travel on country roads has been partially restored.

The storm last week blocked roads in the Didsbury district for the first time this year. Up until last Wednesday the weather had been moderate with very little snow. However, it appears that when we do get a storm in this part of Alberta we get a good one.

FIRST SR. HOCKEY GAME PLAYED IN ARENA MONDAY

Playing before a crowd of about 300 fans in the new Memorial arena Monday night, February 23, the Didsbury senior hockey team came out on the short end of a 7-2 score in a game played against the third Chuck Newton scored both Didsbury goals; Donnie Stevens scored four for Crossfield, Johnny Geier two and Eldon Ray one.

Lineup of teams: Didsbury—Goal, Earl Erb; defence: Bill Weidner, Ray Shantz, Hollis Anderson, Fred Evans; forwards: Charlie Fobbs, Johnny Holub, Lawrence Krebs, Bill Pauls, Trev Morgan and Chuck Newton. Crossfield—Goal, Harold Knight; defence: Tommy Reeves, Eldon Ray, Stu Kiniburgh; forwards: Johnny Woods, Gordon Woods, Ross Bills, Johnny Geier and Donnie Stevens.

DIDSBURY HOSPITAL BIRTHS

Born to Mr. and Mrs. Carl Larson on Saturday, February 14, a girl.

To Mr. and Mrs. Tom Morton on Thursday, February 12, a boy.

To Mr. and Mrs. A. Kromm on Sunday, February 15, a boy.

To Mr. and Mrs. Lyman Severn of Didsbury on Tuesday, February 17th, a boy.

NOTES FROM THE WEST

Mrs. Davidson of Sundre spent last week at the home of her daughter, Mrs. G. Byrt, while the latter was in Calgary.

Mrs. A.L. Hogg called on Mrs. Blain Sr. on Sunday. Mrs. Blain has been quite ill, but is improving.

Another truck went back down the Rugby hill, this time loaded with coal. Although it turned over on the north side of the road no one was hurt. Mr. H. Hoesgood righted the vehicle with his caterpillar tractor and got the truck back on the road.

The sympathy of the district is extended to Mrs. H. Hoesgood in the loss of her father, Mr. F. Sissons, of Olive. Mr. Sissons passed away early Sunday morning.

Mr. and Mrs. Davies received a telegram from Victoria, B.C., Friday last saying that Mr. Ed Parker had suffered a stroke and was a patient in hospital there. His condition is serious.

Mrs. and Mrs. G. Byrt and family were supper guests with Mr. and Mrs. P. Luft on Sunday.

The Elktion Willing Workers held a whist drive at the home of Mrs. M. Campbell on Friday. Seven tables were in play with Mrs. Batten and Marian Baughman tying for ladies honors. Mrs. A. Sattler was the draw to decide the winner. Mr. G. Bracken took the men's first prize and consolation were won by Mrs. Gordon Befus and Mr. J. Bagshaw. It is hoped to hold another whist drive some time in March at the home of Mrs. A.L. Hogg.

Mr. and Mrs. R. Befus and family visited with Mr. and Mrs. Adam Luft of Rugby on Sunday.

Best wishes are extended to Miss Betty Hunter, former teacher of the Elktion school, on her marriage to Mr. McKenzie of Dog Pound.

Some of the young people of the district travelled to Olds Saturday evening to see Olds Elks hockey team win from Ekville 10-4.

Mr. and Mrs. M. Campbell Jr. and Mr. and Mrs. V. Schneider were supper guests on Sunday with Mr. and Mrs. A.A. Hogg.

GOOD MEAT INSPECTION

Due to the high regard in which the Meat Inspection System, carried on by the Health of Animals Division, Dominion Department of Agriculture is held, and the excellent health status of Canadian herds and flocks, no barriers have been erected by other countries against importations of Canadian inspected meats and meat food products.

EGGS LONG FLIGHT

Despite a 7,000-mile journey and a delay at customs, a 51 per cent hatch was achieved from 144 eggs flown from Australia to U.S. land California, U.S.A. The eggs were those of Australorps, intended to improve the strains of Australorps flocks in America. It is believed that these were the finest pied eggs flown from Australia to the United States.

The estimated cost for each chick hatched, after taking into account purchase price, transport charges and incubation costs, was about \$4.

WESTERDALE NOTES

The Westerdale Young People's Club is holding a dance in the hall on Friday, March 5th, with Dunswoy's orchestra of Sundre in attendance.

Mr. and Mrs. Art Grange of Didsbury who are at present looking after the Bill Grange farm in the Zella district, were Sunday visitors at the home of Mr. and Mrs. T. Bolton.

Mrs. L. Jones left Sunday to spend a few days in Calgary.

Eight tables of whist were played at the home of Mr. and Mrs. W. Herbert on Monday evening. The ladies' first prize went to Miss C. Wise by a lucky cut of the cards, having tied with Mrs. A. Buckley. Ladies' consolation went to Mrs. A. Jackson. High score for men also resulted in a tie and in the tie Mr. George Aries won from Mr. Stan Statham. Gent's consolation was won by Mr. Kemp Rowell. The next whist party will be held at the home of Mrs. A. Jackson on March 3rd, with Mrs. S. Jackson as co-hostess.

The Willing Workers met at the home of Mrs. R. Jackson last Thursday afternoon to sew a quilt.

Don't forget the play "Alice in Wonderland" to be presented by the Didsbury school pupils in the Opera Theatre on Friday evening, February 27th, under the auspices of the Didsbury Lions Club.

MELVIN NOTES

Mrs. George Youngs was an Edmonton visitor last week end. Congratulations are extended to Mr. and Mrs. Herman Wollen of Buford on the birth of a daughter.

Mrs. A.E. Krebs and Miss Olga Dupont of Melvin district accompanied the Didsbury lady curlers to Three Hills last week to take part in the ladies' bonspiel being held in that town. They were able to get to Three Hills by car but returned to Didsbury by train because of drifted roads. We are sorry they did not bring back any silverware.

On Monday evening the Melvin Club met at the L. Wollen home, where seven tables of whist were played. First prizes went to Mrs. Rose Youngs and Allan Krebs and the consolation prizes went to Mrs. I. Klinck and Bobby Collinge. Next Monday, March 1st, will be Club night at the home of Mrs. A.E. Krebs.

Mr. and Mrs. A. Taylor of Calgary visited over the week end at the home of Mrs. Taylor's mother, Mrs. A.F. Cowitz.

A party of young folk journeyed to Buford last Sunday and on their return were accompanied by Miss Lois Krebs, who has been visiting with Mr. and Mrs. Herman Wollen. The Melvin Club is planning a big St. Patrick's dance for March 2nd. Please keep this date in mind and look for further announcements.

Read the Want Ads for Profit and pleasure

WESTCOTT NOTES

Mrs. T. Spooner stopped in to visit with Mrs. Otto Folkman on her way back from Calgary last week end. Mrs. Spooner has been under medical care for the last few weeks, both in Didsbury and Calgary. All your friends at Westcott wish you all the best in health soon, Jenny.

Elaine Goetjen spent the week end with Clara Schneidmiller. We are glad to know that Mr. Bill Weidner was able to come home from hospital last Saturday, and that she is feeling quite well now.

Mr. and Mrs. Fred Rodway of Red Deer spent Sunday visiting with Mrs. Rodway's parents, Mr. and Mrs. Herman Dageforde.

Among those who accompanied the Scouts to Calgary last Friday were the Earl Klinck family, Mr. and Mrs. Alex Robertson and family, Mr. and Mrs. Jack Robertson and family and Mrs. R. Benson.

The Scouts and Cubs who took part in the ice stampede in Calgary last Friday evening had the honor of having their entry take a first prize for their costumes in the duckpin race. Even though they didn't make the best time in the race they were considered top in their cowboy regalia, so congratulations to you, boys, and also to Mr. Jack Robertson, your leader.

We were awakened from our slumber last Saturday morning by the very welcome sound of the snow plow opening up our roads, and so giving us a chance to replenish the larder.

A large crowd came out on Sunday afternoon to enjoy the skating on the Westcott rink and after the session the boys enjoyed a bit of hockey. It would surprise you to see how young some of these old boys get at this game.

Congratulations to Mr. and Mrs. W. McDonald on the birth of a daughter.

We are pleased to see Miss Delores Holmquist again in our midst. Delores has been employed in Calgary for the past few months.

The boys who attend school in Red Deer, Le Roy Benson and Donald Folkman, were home for the week end.

Congratulations to Mr. Alex Robertson, who was re-elected by acclamation to serve another term on the hospital board.

There were a lot of disappointed folks out this way last Wednesday morning when they awoke to find a blizzard raging, which meant blocked roads and also that they would not be able to get to Didsbury for the opening of the new arena. However, all felt better when the news spread around that the event had been postponed until March 2nd. We are all keeping our fingers crossed and hoping that the big day will materialize.

The C.G.I.T. will hold their annual supper in the Knox United Church on Wednesday evening, March 10th. 21p

UNITED CHURCH DELEGATES REPORT W.M.S. CONVENTION

The regular monthly meeting of Knox United Church W.M.S. was held Monday evening, February 16th, at the home of Mrs. J. W. Worlie. Fourteen members and friends were present and the devotional period was taken by Mrs. Reid Clarke. Mrs. Ruth Ekel and Mrs. Roy McArthur gave interesting reports on the recent W.M.S. conference held at Ponoka.

CARD OF THANKS

I wish to take this opportunity to thank the electors of Didsbury for their support at the polls on Monday when I was re-elected a member of the Town Council.

JAS. CAITHNESS

TO THE CITIZENS OF DIDSBURY AND DISTRICT

Having failed to reach agreement with Dr. Paul I have felt it necessary to dissociate. It is with extreme regret that I leave the community, and I could not do so without wishing everyone, as always, the very best of everything.

DR. L.J. PATTERSON

CARD OF THANKS

Your vote on Monday was appreciated and being again elected a member of the Council I will endeavor to work for the best interests of the Town.

GEORGE PARSONS

CARD OF THANKS

I wish to extend thanks to the citizens of Didsbury who voted for me in the Town Council election on Monday.

JOE DICK

ENGAGEMENT ANNOUNCED

Mrs. A.G. Parsons wishes to announce the marriage of her daughter, June Alberta, to John Trevor Evans. The marriage will take place in March.

J.A.D. PAUL, M.D.

Didsbury, Alta., Feb. 23, 1948

NOTICE

I desire to announce that Dr. Leonard J. Patterson has left my employment, and that all outstanding accounts which have been incurred during the time Dr. Patterson has been my assistant, that is from April 1, 1947 to date, should be paid at my office in the Royal Bank building.

J.A.D. PAUL, M.D.

Didsbury, Alta., Feb. 23, 1948

Canadian Aid For Children
Seeks Funds In Alberta

Democracy in many countries in Europe and Asia is rocking on its heels.

Unless help is immediate, democracy will fall on its face.

The Canadian Appeal for Children is seeking to right future wrongs where righting should first take place—the children.

Estimates place the number of children who need help in Europe and Asia at over 400,000,000. These children have survived man's most determined efforts to kill them. Many are homeless, thousands fill orphanages, and if hospitals were available, their numbers would cram the wards.

These children must be fed. Example: In Greece a child's allotment of milk for three days is barely equivalent to what a Canadian pet kitten receives in one saucer.

It is the purpose of the Canadian Appeal for Children to nourish their starvation-bloated tummies and put weight where weight belongs.

It is the purpose of the Canadian Appeal for Children to clothe these children—to replace their sack-swathed feet with shoes which fit.

But the Appeal has further aims. Education received a Sunday punch when Hitler first hit out. Schools were left rubble and books were burned. Libraries were sacked and universities looted. The pieces were hardly worth picking up.

It is the purpose of the Canadian Appeal for Children to give education a lift. If education is to resume, re-tooling must be done for the process. It must start with chalk and pencils and blackboards and ink. Schools must be re-built and libraries refilled with books. The fate of Europe and Asia in the next generation is being decided today. What today's children think and how they think tomorrow may shape the course of history. It is the duty of civilization to teach rights and wrongs. To teach the ways of democracy and the ways of peace—that is one purpose of the Canadian Appeal for Children.

These children are citizens of the same world but their worlds are more than poles apart. One is a happy Canadian boy... well fed, happy, his cheeks radiant and being schooled today for living tomorrow. The other is a European child, not well fed, his cheeks sallow and living in a world of unrest. The Canadian Appeal for Children seeks to help 400 million boys and girls in Europe and Asia... help them to know what it is like not to be hungry, to know the happiness of health and be taught the ways of peace and understanding. Help the Canadian Appeal for Children bring happiness to those boys and girls.

Only one out of every seven Canadian farms is served with electricity. This adds a fire risk on many farms, against which most urban and city dwellers do not have to safeguard, for it necessitates the use on the farm of storm lanterns in barns and outbuildings, oil lamps in the farm home, and fuel or oil ranges for cooking.

In a recent survey of fires on Canadian farms, the Dominion Bureau of Statistics estimates that 11 per cent of farm fires are caused by the use of inflammable liquids and 24 per cent arise from heating or cooking equipment.

INVERNESS NOTES

After a week of snow, blizzards and cold weather beginning on February 3rd, the weather has turned milder, but on Friday, February 19th it blew and snowed again, and it has been cold ever since. The temperatures dropped as low as 25 below at times and drifting snow has blocked some of the roads.

Deer are more plentiful since the last two heavy snow falls, judging from the fresh tracks seen in the snow.

Lester Inman has sold his farm to Ernie Mullet of Brickburn for \$1,760, and the new owner will move in on April 1st. Lester has purchased some land on the old Banff Coach road, south of Bears-paw.

Owing to bad roads only a small crowd attended the joint auction sale on E. Mullet's farm. Fred Peske of James River was auctioneer and cattle brought some very high prices. All cars and trucks at the sale got stuck in the loose snow.

Clifford Gibbs has been hauling slabs from D. Weins'.

Logging and sawing seem to be the order of the day and everyone is very busy.

Bill Roberts of Sundre was a week end visitor with Lester Inman and Wayne Stringer.

CHRISTMAS SEAL SALE
TOTALS \$120,000 IN CAMPAIGN

The following letter was received this week by The Didsbury Pioneer from the Alberta Tuberculosis Association:

Dear Sir:

"The 1947-48 Christmas Seal Sale is over; we will shortly be closing our books for this campaign, and we expect the final figures to be in the neighborhood of \$120,000, an increase of about \$15,000 over last year."

"This large sum will represent nearly 75,000 individual contributions, freely given to aid in the great fight to wipe out tuberculosis."

"May we, through your columns, express our gratitude to all who have helped make this year's Christmas Seal sale so successful—to the publishers and all the staff of The Didsbury Pioneer, to those business firms who donated space, to all who contributed either in money or in voluntary work, so that we may not only carry on our present program, but also enlarge our case-finding and rehabilitation activities."

"In closing, we might just remind your readers that though the current campaign is closed, the books are opened for the 1948-49 campaign, and that contributions are gratefully received at any time in the year. Tuberculosis never takes a holiday—we who fight it cannot relax either. Contributions are allowable deductions for income tax purposes. Our address is Alberta Tuberculosis Association, 340 - 7th Ave. West, Calgary."

Yours faithfully,
R.W. ROSCOE, pres.

World consumption of apparel wool is now 3,400,000,000 lbs. a year or 15 per cent above the pre-war level.

BRITAIN'S SHIPS WILL HELP
FEED CHILDREN OF WORLD

Britain will be putting her ships at the disposal of the United Nations this year to assist the big programme of relief of the children of the world. The people of 38 nations are being asked to give one day's income to the international fund. This will finance food, clothing and medical supplies for millions of needy children all over the globe. Each country will use the money it raises to contribute the most appropriate aid within its power to this vast humanitarian plan. In Britain's case, ships will be made available for transporting the supplies from other countries.

THIEF SNATCHES PANTS
FROM BENCH SLEEPER

A man stretched out for a cat nap on a subway station bench in Philadelphia recently and had his pants snatched. A sneak thief unbelted the trousers and slipped them off. Passersby took notice, but no one summoned police. The victim declined to give his name or file a complaint.

RULES IN CASE OF FIRES

1. Familiarize yourself with the location of windows and natural escapes.
2. Learn the position of all stairways, particularly the top landing and scuttle to the roof.
3. Keep the doors of rooms shut.
4. Wet a towel, stuff it in the mouth, breathe through it instead of nose, so as not to inhale smoke.
5. Never get excited, try to recall the means of exit.
6. If room fills with smoke keep close to floor and crawl along by the walls to the window.
7. NEVER go to a roof, unless as a last resort and you know there is escape to adjoining buildings.
8. NEVER jump through flames in a building without covering the head with a blanket or heavy clothing.
9. Open windows from the top.

What National Employment Service is doing for this Country

1,500,000 jobs were filled through the National Employment Service in twenty-two months—January, 1946, to November, 1947.

421,146 of these jobs were found for veterans.

5,534 more were found for persons in the higher earnings bracket through the Executive and Professional Division of the Service.

26,531 more of these placements were made through the Special Placements Division for physically handicapped workers—

204 for persons totally blind, 825 for persons totally deaf, and 53 for persons handicapped by double amputations.

Make full use of your local office of the National Employment Service.

A. MacNAMARA, Deputy Minister

RURAL ELECTRIFICATION SCHOOLS TO BE HELD

With the co-operation of local organizations and electric power companies, the Extension Service of the Alberta Dept. of Agriculture has arranged a series of four rural electrification schools to be held during February and March at Ponoka, Willington, Stettler and Aene.

These schools, under the direction of Extension Agricultural Engineer, E. B. Martin, have been planned to better acquaint the farmer user of electricity with his new source of power, and will continue for two days at each point. Subject matter for discussion at the schools will include fundamentals of electricity, farm wiring and maintenance of equipment, selection and care of electric motors, and an economic and mechanical study of users of electrical equipment on the farm and in the home. Coloured movie films will be shown to illustrate better lighting principles.

Schools will run for two days at each place. They will be held at Ponoka, February 16th and 17th; Willington, Feb. 26th and 27th; Stettler, March 1st and 2nd; and Aene, March 4th and 5th. Full details can be obtained from District Agriculturists.

DUCKS FIGHT SNAILS

Encouraged by a cool, moist spell in November-December, millions of snails began to menace vineyards and gardens in the grape-growing districts of South Australia. Snails eat the foliage and interfere with the growth of grapes, and it was found difficult to check the advancing hordes with poison sprays and baits.

In one big vineyard, ducks were used to support the counter-attack. The vineyard manager devised what he called a "travelling duckery"—a duckhouse on skids. This was placed inside a vineyard and the ducks allowed out to do battle with the snails. Each night the ducks had to be put back into the "duckery" to avoid being carried off by foxes, which came down like brigands from the hills to complicate the issue between the two main forces.

SEEDING BY PLANE

The first Australian aerial seed sowing of nearly two tons of Rhodes grass seed at Gayndah, Queensland, in December, 1947, proved that this method enables big pastoral holdings to be sown quickly, cheaply and successfully. On 300 acres, the seed was laid in even swathes from an Anson aircraft. Inside the Anson, twin hoppers of 56 cubic feet, fitted with extensions of the same dimensions, held the seed in flight. Sucked into twin venturi tubes mounted below the wing roots, the seed was carried back by the propeller wash to fall flat on the land.

Sowing at the rate of 180 acres an hour, the plane covered difficult terrain at less than one third the cost of hand sowing. It would have taken a man 80 days to do the work by hand. Another advantage is that aerial sowing can be arranged to take advantage of weather conditions. Two hours after the grass had been sown at Gayndah, good rain fell.

CANADIAN RED CROSS DRIVE FOR \$3,000,000 COMMENCES MARCH 1

With emphasis on the urgent need for kindness and neighborly help to relieve human suffering, the Red Cross will open a national appeal for \$3,000,000 on Monday, March 1, to carry on its peacetime work in Canada. It was announced last week by Arthur L. Bishop, chairman of the Red Cross national executive committee.

"The Red Cross is a symbol of unflinching help at time of trouble in almost every country of the world," Mr. Bishop pointed out. "The work of the Society in Canada is the expression of human kindness by which one neighbor lends his hand to another, and is the agent through which citizens of every creed may work for the betterment of national health and the relief of human suffering."

Mr. Bishop referred particularly to the Society's health and medical services. "Much remains to be done in this country to bring modern medical aid within reach of all," he said. "This year the Red Cross hopes to extend the free national Blood Transfusion Service, already operating in British Columbia and Alberta, to other provinces so that more Canadians may receive the life-giving miracle of blood transfusion therapy at time of illness or accident, without cost."

"The Outpost Hospital Service, at present serving 71 frontier communities across Canada, must keep pace with the pioneers who are striking off in ever-increasing numbers to found new settlements and utilize the far-flung resources of this country."

Other Red Cross services for the protection of Canadian lives, the promotion of better health and the relief of human suffering include work in Nutrition, Disaster Relief, First Aid, Swimming and Water Safety, Mobile Medical and Dental Clinics, Veterans' Welfare, Junior Red Cross and Crippled Children's Hospitals.

"Next month the Society will turn once more to the people of Canada who have never failed Red Cross in the past, and who will, I am confident, support Red Cross again in its great humanitarian efforts on behalf of our Canadian people," Mr. Bishop concluded.

F.I.L.A. CLEARS 45,600 ACRES IN ALBERTA 1947

Alberta farmers have used \$361,429 in 1947 to clear and drain 45,658 acres of land for new crop production.

The funds comprising the amount borrowed through 993 loans were made available by the Farm Improvement Loans Act.

Of that amount Alberta farmers used \$171,926 for clearing and breaking 25,698 acres in the Peace River District.

These figures do not include the brushing and breaking carried out in the B.C. block under the financing of F.I.L.A.

The Act, passed by parliament in 1945, provides a partial guarantee to the branches of the chartered banks which effect the loans in the farmer's local community.

DIRTY EGGS NOT HELPED BY WASHING

Canadian farmers know that washing eggs to clean them is not a good practice, as it only helps to make the eggs go bad more quickly. Instead they rely upon the cleanliness of nests, and in this way avoid the penalty under the Canadian egg grading regulations, which places washed eggs into Grade C, at a loss of from 12 to 25 cents a dozen less than Grade A Large.

But this regulation is not nearly as severe as the penalty which confronts the Irish farmer who washes his eggs. Back in 1941 the Irish Department of Agriculture introduced penalties of a fine of \$40 for the first offence and \$80 for a second and up to three months' imprisonment, or both, for the second offence. This drastic legislation quickly reduced the quantity of dirty eggs produced, and curbed the attempts to wash them. Now dirty eggs received from Irish producers average less than two per cent and sometimes less than one per cent.

Docked horses may no longer be shown in the Royal Agricultural society show in England, if the society accepts a recent ruling of the Council of Shire Horse Society.

PLAN TOURIST OFFICER AT NATIONAL PARKS

This year a record number of tourists are expected to visit the National Parks of Alberta. The number of inquiries already is heavy while hotels, auto camps and other stopping places report a large volume of early bookings. Consequently, it is believed that a greater number of visitors than usual will be seeking highway and other information required by motor tourists.

The demand is recognized by officers of the Alberta Motor Association and it is possible that services to tourists will be extended this year.

For some years the Calgary branch has operated a tourist information office in Banff with good results. This year it is planned to have a similar office operated in Jasper National Park by the Edmonton branch of the A.M.A.

A staff representative will be at Jasper for the summer vacation period, giving up-to-date information on highways, tourist attractions and other data required by motor tourists and other holiday makers.

CAR MANUFACTURERS AND THE RUBBER MANUFACTURERS ASSOCIATION SAY WHEEL BALANCE IS IMPORTANT

- Because OUT OF BALANCE WHEELS cause**
1. Excessive body and chassis strains.
 2. Shimmy and Tramp.
 3. Uneven tire wear resulting in premature failure.
 4. Increased gas consumption — decrease in average speed.
 5. Abnormal wear of wheel bearings, bushings and king pins.
 6. Wheel misalignment because of excessive vibration.
 7. Rough riding and danger at high speed.

HERE'S WHY YOUR WHEELS NEED BALANCING

"A wheel out of balance just ONE OUNCE at the tread . . . develops 13 pounds of vibration on the road at 60 m.p.h."

STATIC UNBALANCE

Static unbalance is a condition that exists when the weight of a wheel assembly is distributed on its own spindle or shaft, that the wheel will not remain at rest when stopped in any position.

DYNAMIC UNBALANCE

Dynamic unbalance is a condition, independent of static, that exists when the weight of a revolving wheel is so distributed that vibration is present regardless of the speed of rotation.

BALANCE-MASTER corrects these faults

This modern balance machine assures you of quickest and most sensitive balance attainable. The exact amount of weight required to balance and the exact location also which side of wheel to place weights, eliminating all guesswork. Wheels on all new cars should be kept in balance to prevent the resulting damage to the entire front end mechanism.

-: DISTRICT NEWS:-

BURNSIDE NEWS NOTES

The annual meeting of the Lone Pine Hall Board was held in the hall on Tuesday, February 20th, with a large crowd in attendance. Retiring members Harry Richardson and Floyd Ahlgren were re-elected by acclamation. Other members of the board are Sam Elliott and Jas. McCulloch, and Dennis Jenkins is secretary. The financial statement was read and showed that most of the money raised during the year was spent on the installation of a new electric lighting plant for the hall.

Mr. and Mrs. Otto Bittner were visitors last Friday night at the home of Mr. and Mrs. Alfie Thompson.

Mrs. Underhay Sr., who came out from Devon, England last summer, and who has been residing at Drumheller with her daughter, Mrs. Fisher, is now visiting with her son and daughter in law, Mr. and Mrs. Jack Underhay.

Mrs. B. Wood is visiting with her daughter, Mrs. Lynn Hunsperger, who has been quite ill.

Mrs. Page met with a painful accident last week when she spilled boiling water on her leg, and she has been taking medical treatment for the injury.

We are sorry to report that Bob Jones is not feeling well these days. The oldtimers' dance, which was postponed, is to be held in the Lone Pine Hall on April 2nd. Come and have a good time.

The A.F.U. meeting will be held in Lone Pine Hall on Monday, March 1st, at 8 p.m. sharp. Mr. Kirkham, field man of Red Deer, will be present to re-organize the group and after the meeting motion pictures will be shown. Ladies, please bring lunch.

The snow plow came out last Thursday and opened the south road, but slipped into the ditch before opening up the north road. A caterpillar had to be brought from Olds to pull out the snow plow and the north road was opened up Friday.

Mr. and Mrs. Wm. McCulloch Sr. and Mr. and Mrs. Happy Wall were dinner guests Sunday with Mr. and Mrs. Glen Fulkerth.

The Bancroft Women's Institute will hold a dance in Lone Pine Hall on April 5th. Ray Shields is under the weather and we hope he will be around again soon.

CARD OF THANKS

I wish to thank the hospital staff, neighbors and friends for their kindness and remembrance by sending flowers and cards during my recent illness.

W. C. AHLGRIM

MOUNTAIN VIEW NOTES

Lily, Harry and Alfred Morasch motored to Calgary last Sunday where Harry entered the General Hospital for treatment for a broken ankle. Harry suffered the injury while playing hockey for the Didsbury Juniors in a hockey game played during the opening of the Carstairs arena on February 14th. Lily and Alfred returned home Tuesday night.

The February meeting of Mountain View Women's Institute which was to have been held on February 19th was postponed because of the bad weather and poor road conditions. Important business scheduled for this meeting will be discussed at the March meeting.

The bad weather last week kept everyone pretty close to home and practically all goings on in the district were postponed.

Mr. and Mrs. Mac Fraser of Calgary are visiting at the Grenville McCall home.

Barry Thompson, who is attending school at Olds, was home for the week end.

Agnes Tighe returned home last Thursday after attending the Banff Winter Carnival.

Mr. and Mrs. John Bruce and Virginia spent Sunday in Olds.

Adam Morasch reports that one of his cows gave 1608 pounds of milk during the month of January from which he realized a total of \$53.38.

CREMONA NEWS

The main event of the week, the Cremona annual carnival, was held on Saturday, February 21st, and although Carstairs and Didsbury may have new arenas to boast about Cremona also has something to be very proud of — the dog team owned and driven by Lionel Bolton. Lionel gave kiddies under eight years of age free rides during the carnival.

Many ice events were run off and winners are listed below:

Girls' speed race—Shirley Frizzell 1st, Mrs. Gladys Tronnes 2nd; Men's speed race—Alta Frizzell, Boy's 16 and under—Chuck Holbrook; Girls 12 and under—Wanda Rawleigh 1st, Marilyn Rawleigh 2nd; Boys 12 and under—Robert Simpson. Prizes were also given out to the many children in costume.

Another blizzard with drifting snow on Wednesday blocked traffic until Friday. The principal of the school, Mr. R. Reid, did not get to school Wednesday because of blocked roads. Two hockey games between Crossfield and Cremona seniors and Dog Pound and Cremona juniors were postponed. The Woodmen also postponed their invitation, which drive. The Legion held their dance and a large crowd was present.

Mr. Alex Hettiger and Adam Leinweber, driver of the Cremona Transport, journeyed to Calgary on Tuesday and because of blocked roads did not get back until Friday. Mr. Hettiger brought Ronny home from hospital, where he has been a patient for the past month. It's good to see you around again, Ronny.

We are sorry to hear that Mrs. John Burnett has been in poor health since her return from B.C. We hope you are soon feeling better, Mrs. Burnett.

We also hear that Greta Ray has been in hospital for the past week and we wish her a speedy return to good health.

CARD OF THANKS

I wish to thank the matron and staff of the Didsbury hospital, the St. W.A. of Knox United Church and all my friends and neighbors for their kindness and cards sent to me while in hospital after my recent accident. I also wish to thank the Didsbury Senior Hockey Club for the beautiful bouquet.

MRS. W. WEIDNER

LOCAL NEWS

K. Roy McLean, optometrist, of Calgary, will make his next visit to Didsbury at the Rosebud Hotel on Monday, March 1, morning only. Consult in city office, 1015 Southern Building, daily except Monday.

Bob McLean underwent an appendix operation in the Didsbury hospital last Thursday.

Oliver Darling and Joe Freeman of Payne-Freeman Co. attended the Chrysler Service school in Calgary last week.

E.G. Ranton left Monday on a business trip to Edmonton and expects to return Friday.

Sunday, February 29th is being celebrated across Canada as Red Cross Sunday and special services in honor of the occasion will be held at Knox United Church in the evening at 7:45 p.m. Rev. D. Whyte Smith will conduct the service.

Payne-Freeman Co. has received the official appointment for the Alberta Motor Association. This local company has also been appointed official membership agents for the A.M.A. in the Didsbury district.

Miss Edna Roberts, who is employed as a stenographer at the General Hospital, Calgary, spent a couple of days at her home in the district last week. She returned to the city on Friday, accompanied by Mrs. Roberts and they both took in the Boys Scouts ice carnival held in Victoria arena the same evening.

At the annual meeting of the Jersey Breeders' Association held in Red Deer recently, N. Reid Clarke was appointed representative to attend the annual meeting of the Dairy Cattle Breeders' Association in Edmonton next month.

Under the auspices of Redeemer Lutheran Walther League a full length movie will be shown in the basement of Redeemer Lutheran Church on Sunday, February 29th, beginning at 3 p.m. The title of the film is "March of Faith." The film comes highly recommended by those who have seen it. Redeemer Walther Leaguers take this opportunity to cordially invite you to attend this show.

Miss Joyce Topley has completed her probation as nurse-in-training and has been awarded her nurse's cap.

Mr. and Mrs. Vance Shields returned last Thursday following their marriage in Eastern Canada, and have taken up residence on the farm southwest of town.

Payne-Freeman Co. garage will be open for service on Sunday, Wednesday, and each evening until 9:00 p.m. during the week of February 29th.

Mrs. Harley Davidson left Tuesday for her home at Knutsford, B.C. after visiting over the week end with Mr. and Mrs. E.J. Rouleau and family.

Mrs. Tom Morris has been a patient in the Didsbury hospital for the past ten days suffering from pneumonia.

Don't forget the dance in Lone Pine Hall Friday, February 28th, sponsored by the Didsbury Ladies' Sports Club. Music by the Merry-makers.

Mr. Ed Liesemer of Rowley was a Didsbury visitor Tuesday.

Stan Janzen and John Worthington are attending a refresher school with International Harvester Co. in Calgary this week.

G.W.G. Work Shirts and Pants now in stock at J.V. Berscht's and Sons.

The First Westcott Boy Scout Troop made a good showing at the Boy Scout ice carnival held in Calgary last Friday and came home with the first prize for the best dressed cowboys in the chuckwagon races.

The Anglican service will be held at Burnside on Sunday, February 29th, at 3 p.m., weather and roads permitting.

Mr. and Mrs. J. Morton and daughter, Susan, of Calgary, visited with Mr. and Mrs. E.B. Grange over the week end.

Mrs. Reid Clarke underwent an emergency appendix operation last Tuesday evening.
